Calling all EV innovators! Are you looking for an additional forum to stay current on industry trends? Based on participant feedback, we're launching a new gathering just for you!

We'd like to invite you to join industry leaders driving energy innovation, including **dealers, energy providers and utilities, fleet operators, community leaders, and more**, to our **Innovation Exchange**, a conversation where everyone is welcome to share their best practices, ask for advice, and meet others doing similar work across the country.

February 24, 2026
12PM-1PM ET

Hosted by:

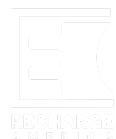

- **Melissa Bradley** | Snell Motors
- **Katelyn Leahy Barb** | Energy New England
- **Phil Jenkins** | Polestar Boston
- **Justin Partee** | Connexxus Energy

Key Topics of Discussion:

- Promoting electrification and energy innovation in the workplace
- Installing charging infrastructure at your workplace
- The positive impacts of community partnerships
